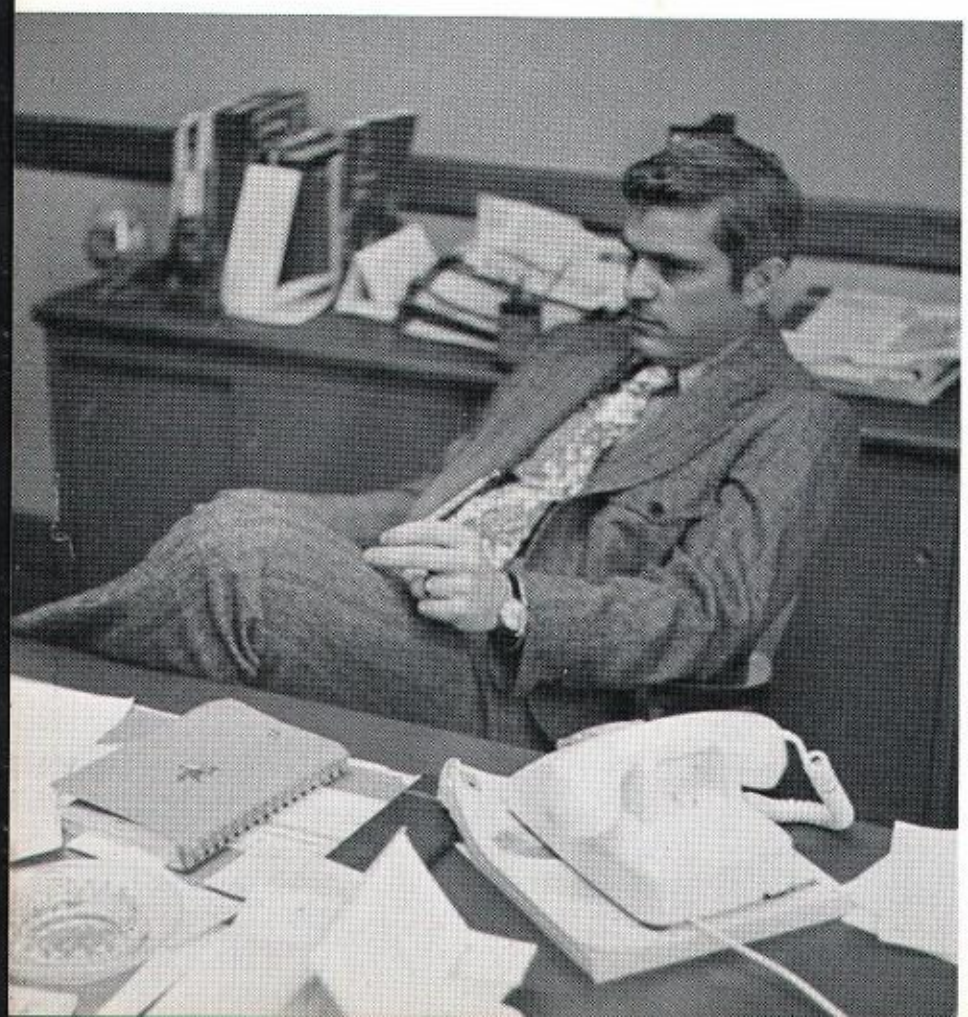
Meet Mr. Agee . .

Above: Coach Harp, Mr. Agee. Opposite: Mrs. Nelson, Mr. Agee.



New Principal At M.H.S.

The Said and Done welcomes our new principal Mr. James G. Agee to M.H.S. Not only is Mr. Agee a new and important addition to our staff, but he and his family are new residents of the Muskegon area as well.

Mr. Agee, a graduate of Michigan State University in 1962, began teaching in the Pontiac school district in the fall of 1962. During his years there, he coached football, and worked with drama groups. In 1967 he became the Principal at Marion High School in Marion, Michigan. In the year 1968, he returned to Pontiac and became an Assistant Principal.

He remained there until this past year, then became M.H.S.'s new principal. The students at M.H.S. are proud of their new principal, Mr. Agee.

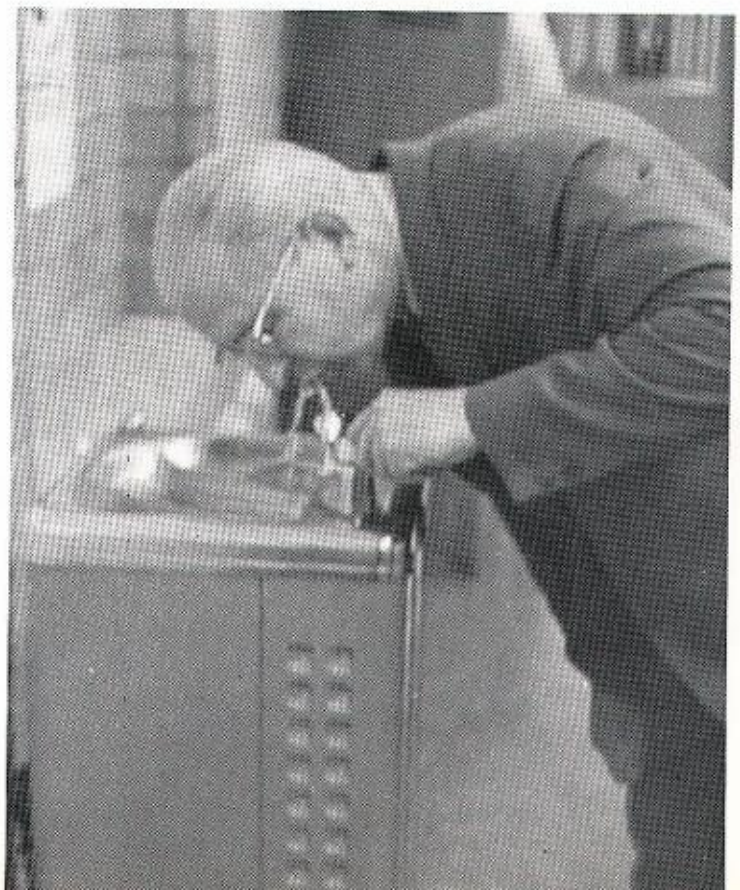
Mr. Toppen

Above: Mrs. Wilson with student. Right: Mr. Toppen

Our faithful assistant principal goes far beyond her duties. Mrs. Wilson heads and advises our student council, helps out class officers, and gets new clubs started at the beginning of the year. Besides her many duties as an assistant principal she is also MHS girls dean.

Have you ever heard someone say Mr. Toppen is our administrative assistant? Have you ever wondered what he does? Well, Mr. Toppen takes part in the disciplinary section of the school. He is in charge of attendance, supplies, and every other year acts as advisor for the senior class.



The Peace Makers

If you belong to the Student-Faculty Administrative Council, you might recognize this man. He is Mr. Clock, a member of the Board of Education. Meetings are held twice a month and at each meeting a different member of the board is present to voice his opinions and lend a helping hand.

Several years ago, MHS had racial trouble. Concerned parents decided to come in and keep students from lingering in the halls. This was the start of what is now known as the Para-professionals. At the time they were volunteers, but now are a part of the paid staff here at MHS. Their job is to keep the noise and skipping down. When students get sick or hurt in school it is their job to take them home or to the hospital if they do not have a ride.

Have you ever had a problem, either at home or at school, and you didn't know who to turn to? Well, that's what the counselors are for. They are around to help students with their problems. They also help students plan their schedules according to what they plan to do. For college bound students, the counselors are trying to help set up programs early so that the students will be better prepared for college studies.

Mr. Fent

This year's English department has a new addition to the team program, Mr. H. Weaver.

As in past years, American Literature and vocabulary study are still being taught in order to give students a larger scale of words and past happenings of our country. Some teachers are even offering free writing as part of semester work. In free writing, a student is allowed to express his own feelings through writing.

Communication: The

The Speech Department is an important department here at MHS. Each student is required to take one semester of speech. This course prepares the student for the outside world by helping him get over his stagefright and learning to talk in front of others.

Additional classes offered include advanced speech, drama, radio & TV, and debate, one of the new classes offered this year.

Key to Understanding

Mrs. Tool and Katie Klinkner

If you went to France, Germany, or Spain, would you be able to communicate with the people? Some of the students here at M.H.S. would be able to. They are the ones who take a foreign language. In their class, reading, writing, and participation in class discussion are essential to help them learn the language. With the help of tapes and special magazines, their learning is reinforced.

French is taught by two teachers, Mrs. Tool and Mrs. Schindler. Also Mrs. Schindler teaches German. Mrs. Toy is the Spanish teacher here.

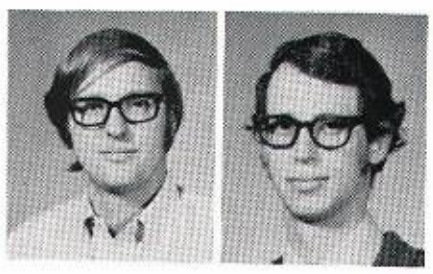
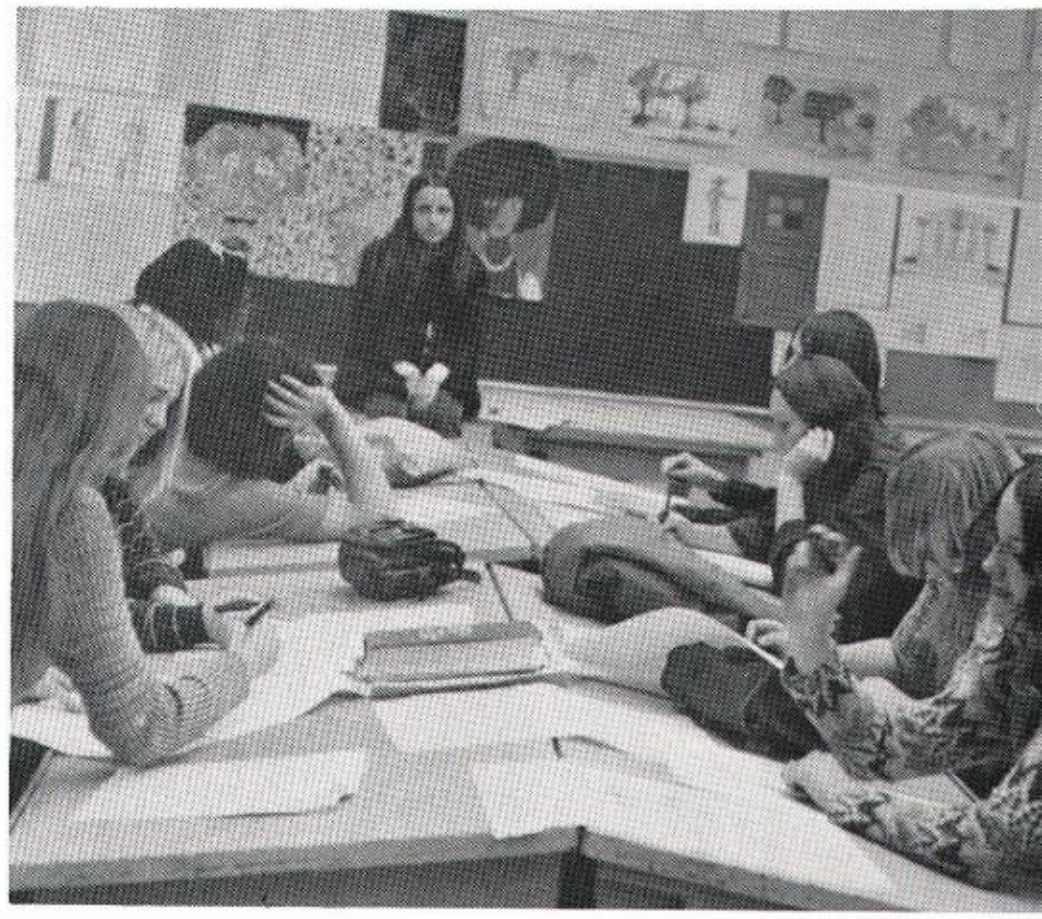
Mr. Schoenknecht





Art and music provide M.H.S. students with an outlet for self-expression. Art-work is displayed in hallways of both the main and industrial arts buildings this year. The Art Department, which has added Mr. Thomas Braund and Mr. Charles Schoenknecht to its staff, gives students experience in various aspects and mediums of art.

The directors of the M.H.S. choirs, bands, and orchestra stress continual improvement of performance standards and musical knowledge. Students of both vocal and instrumental music perform at assemblies and concerts throughout the year.

They Make Good Homemakers

The agony and disappointment comes when the cake flops or the seams aren't straight. Yes, it's frustrating, but those who take Home Economics have a lot of fun and it becomes a great challenge.

Physical Fitness and an interest in athletic activities is what lies ahead for students taking gym. Girls must take gym in tenth grade. They cannot take gym in eleventh or twelfth, but they can become gym aides.

Boys must take gym in the tenth and eleventh grade, unless they are participating in a sport. They cannot take gym in the twelfth grade but they can also be a gym aide.

Mrs. McShannock and Mrs. Murphy are the girls' gym teachers. No new teachers have come, but Mrs. Aldridge left. Mr. McShannock, Mr. Harp, and Mr. Erickson are the boys' gym teachers. Mr. Erickson is new this year.

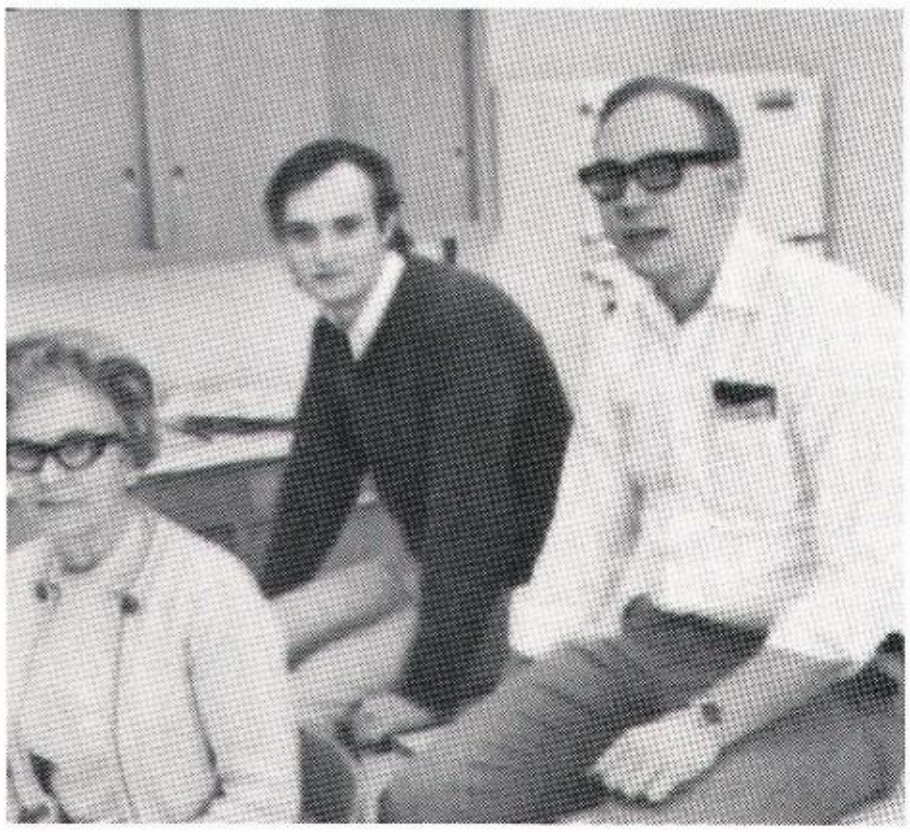
MHS Gets Extra Attention



This year's Student Teachers played an active and important part of the students' life here at MHS. They are from Western Michigan; Mr. L. Babcock, Mr. R. Brock, Mr. S. DeMuro, Miss N. Harris, Miss M. Riley, Mrs. M. Northrup and Mr. R. Kanaar. From Ferris; Mr. Guidema, and Mr. S. Kleiner. And from Grand Valley, Mr. R. Gilmore. The Book Keepers

MHS has four full time librarians. They are: Above left: Mrs. Mack along with Vern Morgan, Above top: Mrs. Buickama, A. V. Clerk, Opposite: Mrs. Hallberg, Clerk, Above: Miss Holkeboer. Together they serve about 500 students as well as faculty members from 8:00 to 5:00 p.m. MHS has 20 thousand books in its library as well as a wide assortment of A.V. materials.

Mrs. Comstock Mrs. Skidmore Mrs. Gunansky Mrs. Nelson

Where would MHS be without these ladies? They are the clerks who must be level-headed and precise at all times. Below in the first row are Mrs. Nelson, Mr. Agee's dedicated secretary who keeps him in line, Mrs. Niemeyer, Counseling Clerk, and Mrs. Barscht, the main office clerk. In the second row substituting for Mrs. Urbina is Lu Barton, Mrs. Craig, attendance clerk for Mr. Toppen, Mrs. Gunansky, Mr. Krive's secretary, and Mrs. Comstock who manages the bookstore. Above right is Mrs. Urbina, who is the team clerk.

Fill-up and Clean-up

Cooks: Frances Warren, Marian Wiseman, Thelma Olsen, Vergie Niva, Helen Bonjemoor, Ester Boertman (Manager).

What is the best time of school? Lunch time, of course! It is these six cheerful cooks that offer the students and teachers a delicious hot lunch daily. They spend much time in planning to provide the best meals possible. Who ever said too many cooks spoil the broth?

The custodians' jobs may seem very unglamorous to all of us, but they are some of the most important. These men and women play a major role in maintaining a good health standard here at MHS. Can you imagine what our school would look like without the custodians and maids? They do a very good job in making our school and grounds clean and presentable.

The Student Council underwent various changes this year that brought about a more effective council. The 1971-72 officers are Chairmen—Sheila Cole, Jane Lans, and Eric VanCamp; Secretary—Phyllis Jackson; and Treasurer—Pam Collins.

A new group, the Student-Faculty-Administrative-Council, has been formed along with the Student Council this year. It is made up of nine students and eight adults. The S.F.A.C. hopes to establish better relations among students, faculty, and administration, and to involve students in decision making matters.

The ABS is one of MHS's more active clubs. This year they sponsored homecoming and entered a float. It consisted of an afro head with a multi-colored face emphasizing their theme, "Growing Together to Make a Change." They also put on their annual variety show featuring black pride.

The Chicano Club planned a College Night for all chicano students of Western Michigan and also their annual Mexican dinner and dance.

Ron Taylor and Coach Ormiston.

The Muskegon Big Reds, under Coach Larry Harp, captured the state crown. This was Harp's first season here as head coach. The Big Red Machine gained fame as they placed first in the state, L.M.A.C., and city.

The Big Reds placed high in the all-conference standings. Jay Achterhoff, Steve Wilson, Rick Smith, Larry Sohasky, and Jim Olsen were chosen for their defensive efforts and Eric Van Camp, Randy Wissner, and Olsen received the honor for their performance on the offense. Those receiving honorable mention were Steve Schiller and Rick George for defense and Schiller, Marc Randall, Brad Young, Achterhoff, Sohasky, and Bob Lindgren for the offense.

All-State honors went to linebacker Jay Achterhoff, running back Eric Van Camp, and an honorable mention to defensive back Rick Smith.

Jay Achterhoff also received the award of High School Football Player of the Year for the state of Michigan.

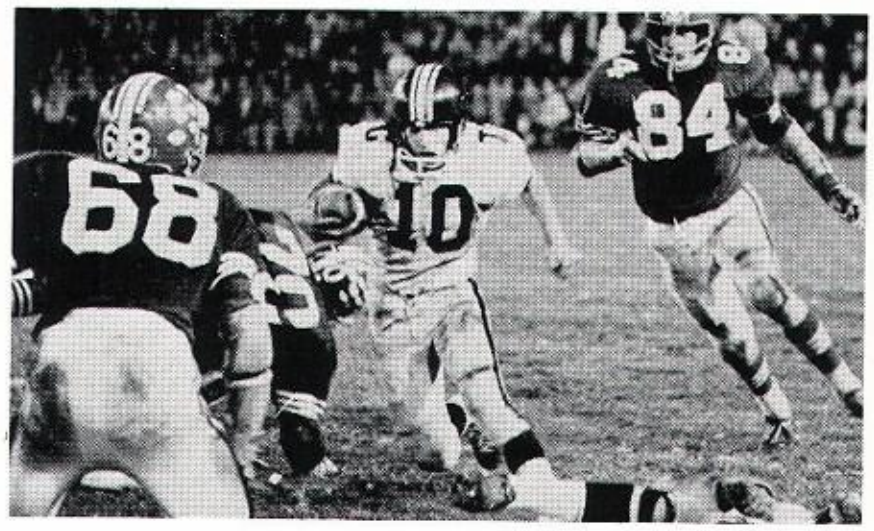
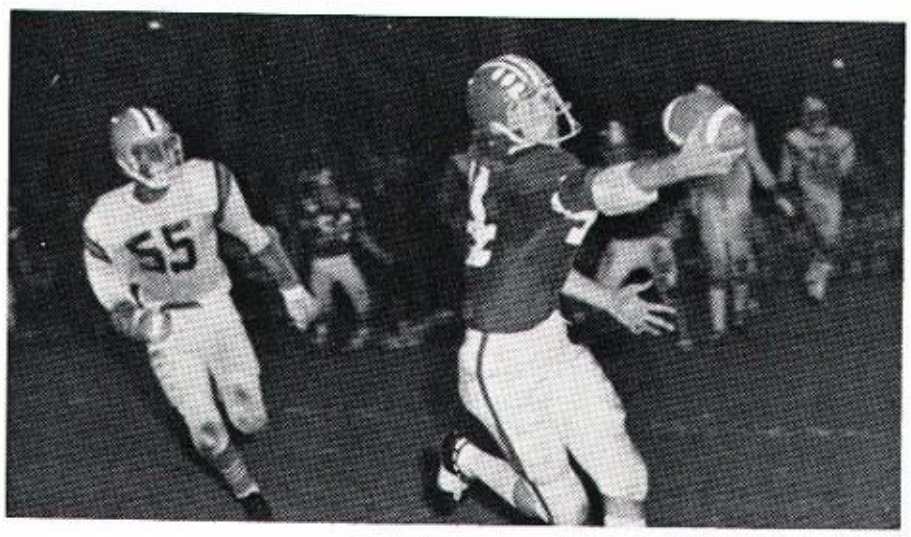
The Muskegon Big Reds triumphed in their 1971 season opener. New head coach Larry Harp fired up the Big Reds and they responded with a 21-0 win over Grand Rapids Catholic Central. The Big Reds scored the first time they had the ball. Jim Olsen made a fumble recovery, giving the Reds a scoring opportunity. Four plays later, Marc Randall went in from the 26 yard line for a touchdown and a 6-0 lead. Randy Wissner caught Bob Lindgren's pass for the two-point conversion and a Big Red lead of 8-0. Later in the second quarter, the Big Reds marched 85 yards with Eric Van Camp getting the final 10 yards for a second touchdown. The pass for an extra two points failed and Muskegon led at the half 14-0 over Grand Rapids Catholic Central. Rick George completed the scoring for the night when he returned the second half kick off for 70 yards and a touchdown. George kicked the extra point and it added up to a Muskegon Big Red triumph of 21-0. Jay Achterhoff and Jeff Martin led a fine defense against the Grand Rapids Catholic Central team.

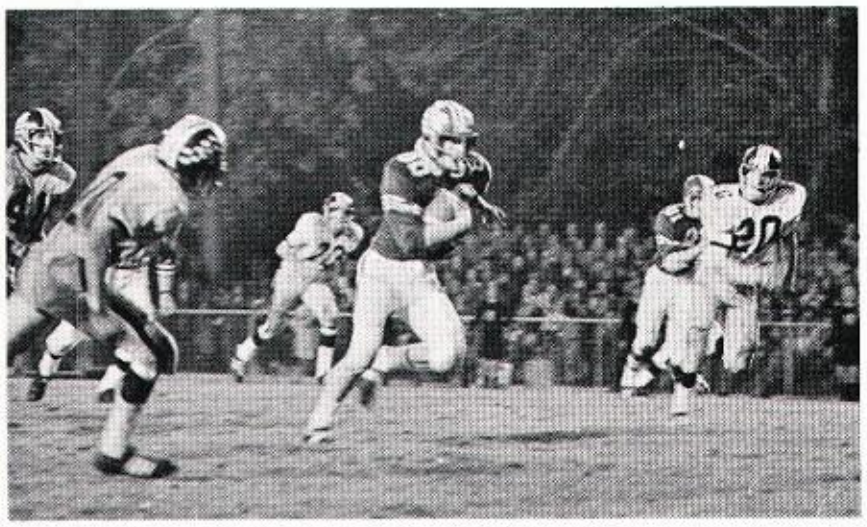
Muskegon recorded its second victory of the year by defeating the Benton Harbor Tigers 28-6. The Big Reds again scored the first time they had the ball. The offense drove 58 yards with Eric Van Camp going in from the 6. Rick Smith ran for the two-point conversion. Muskegon scored again before the end of the first quarter. Larry Sohasky knocked down a Benton Harbor pitch and recovered the ball. Van Camp ran the final 16 yards. The try for the extra point failed, and Muskegon led 14-0. The Big Red defense turned in a fine goal line stand to preserve that lead at half time. Muskegon got the ball after a Benton Harbor punt in the third quarter. Van Camp got his third touchdown on a 55 yard run. A Lindgren-to-Wissner pass was good for the two points. Muskegon's shoutout was spoiled when a Benton Harbor back ran for 40 yards and scored. The Big Reds came right back with Van Camp again scoring, this time from 18 yards out. Fred Kenny led the defense with two pass interceptions as Muskegon again received another fine defensive effort.





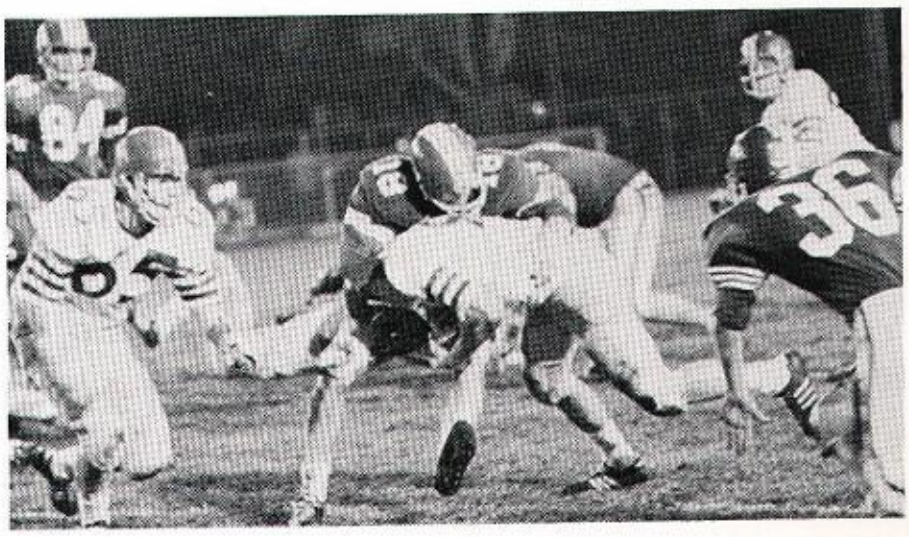
Muskegon was invaded by the highly regarded Heights Tigers, but the Big Reds met the challenge and shut out the Tigers 29-0. The Muskegon offense moved the ball the first time they had it with Bob Lindgren passing 17 yards to Fred Kenny for the first touchdown. The conversion failed. The Heights stopped by Kenny's interception of an errant pass. The Reds scored in four plays with Eric Van Camp making a fine run of 60 yards. Lindgren ran for the two-point conversion. Muskegon moved 51 yards the next time they had the ball wih Lindgren bootlegging the final eight yards. Lindgren passed to Van Camp for the conversion and the Big Reds held a 22-0 lead. Larry Sohasky recovered a fumble giving Muskegon the ball. The Big Reds covered the last 25 yards with a Lindgren-to-Van Camp pass. Rick George added the extra point kick and the first half ended with the score at 29-0. There was no scoring in the second half. The Big Reds were led on defense by Jay Achterhoff, Larry Sohasky, Jim Olsen, Larry Olson, and Jeff Martin.

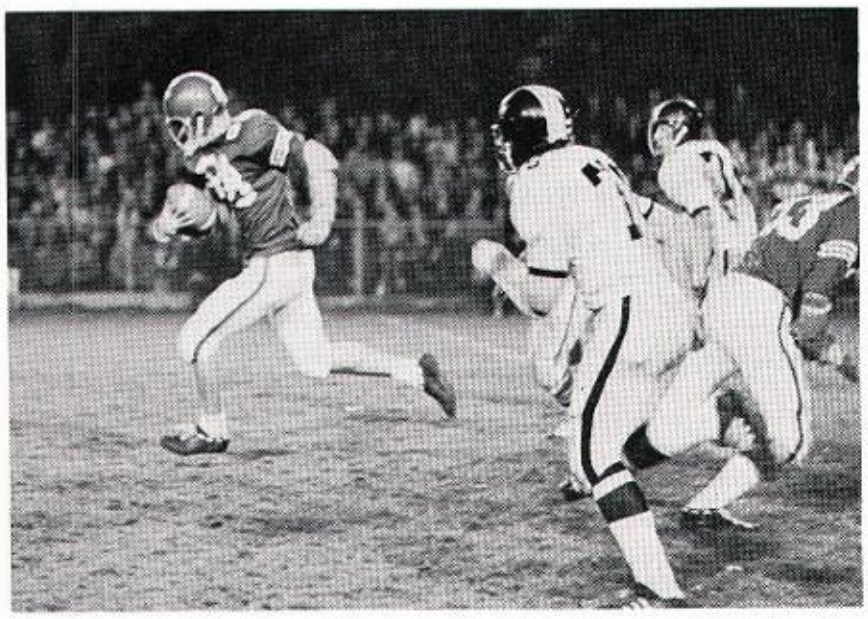
The Big Reds rolled to their fourth straight victory by defeating Grand Haven 37-14. The Bucs scored first, putting the Reds at a 7-0 disadvantage early in the first quarter. Late in the second quarter, Bob Lindgren fired four completions in the touchdown drive. Randy Wissner caught a five-yarder for a touchdown with just 29 seconds left on the clock. Lindgren passed to Eric Van Camp for the two-point conversion and the Big Reds led at the half 8-7. Muskegon took the second half kickoff all the way, with Van Camp scoring from five yards out. Lindgren ran for the two points for a 16-7 lead. The Bucs cut the lead with an interception of a Lindgren pass for a touchdown. The extra point gave Muskegon a slim 16-14 lead. Van Camp scored again on a 15 yard run, wtih Rick George kicking the extra point. Rick Smith got the last Muskegon score on a three yard drive. The extra point failed. The Muskegon defense limited the Bucs to only 38 yards rushing in the second half. The defensive standouts were linebackers Jay Achterhoff and Steve Wilson along with cornerback Rick Smith and safety Jim Ritcheske.



The Big Red Machine continued to roll with a convincing 43-6 victory over Warren Mott. It was Muskegon's fifth straight victory. Muskegon's first touchdown was on a four yard pass from Bob Lindgren to Randy Wissner. Eric Van Camp ran for the two point conversion. Van Camp scored the next touchdown on an 85 yard run from scrimmage. Rick George kicked the extra point. The next Muskegon score was set up by Jay Achterhoff's pass interception. Van Camp moved in the last four yards and the Big Reds had a half-time lead of 21-0. The Mott Marauders scored in the third quarter on a 15 yard pass. The conversion attempt was no good. Muskegon scored again on George's short touchdown run. Lindgren ran for the two-point conversion. Marc Randall ran 65 yards for another touchdown with George kicking the extra point. George completed the Big Red scoring on a one yard touchdown plus kicking the P.A.T. This gave Muskegon a 43-6 victory. Linebackers Steve Wilson, safety Jim Ritcheske and cornerback Rick Smith were cited for their plays on the defense.

The Big Reds received a stern test from the Chemics of Midland, but eventually prevailed 46-15. Muskegon took the opening kick off with Bob Lindgren passing to Randy Wissner for a 6 yard touchdown. Eric Van Camp ran for the two-point conversion. The Chemics caught fire in the second quarter and scored twice before Muskegon could recover. Midland led 15-8 only minutes before the half. Lindgren passed to Wissner for a 9 yard touchdown. Steve Schiller recovered a Midland fumble, with Lindgren and Wissner again connecting for a scoring play, this one covering 35 yards. In the second half Marc Randall took control of the game as he scored on successive scoring jaunts of 56,70, and 79 yards. Rick George added the P.A.T. after Randall's third touchdown. Muskegon completed its scoring on Van Camp's 72 yard touchdown run, with George kicking the extra point. The defensive effort included linebackers Steve Schiller, Jay Achterhoff and ends Larry Sohasky and Jeff Martin, the defensive backs Joe Meyers, and Jim Ritcheske plus Rick Smith and Dan Sieradzki.





The Big Reds, No. 2 in the state, defeated the Trojans of Traverse City who were No. 1. Traverse City scored first on a 34 yard pass. Muskegon struck back on Larry Sohasky's grab of a Traverse City punt. The scoring play was good for 65 yards. Bob Lindgren passed to Randy Wissner for the two-point conversion. Muskegon was ineffected for the rest of the first half as Traverse City put together two long touchdown drives to take a 18-6 lead. The Big Reds were a different team in the second half. The offense started to generate and the defense dominated Traverse City getting only 26 yards total offense in the second half. The Big Reds took the kick off and moved in for the touchdown in less than two minutes. Eric Van Camp got the touchdown, but a Lindgren-to-Wissner pass was the key play in the touchdown drive. A fumble recovery by Jim Olsen gave the Big Reds an excellent scoring opportunity. A Lindgren pass to Mike Cross provided the winning touchdown. The Big Red offense preserved the victory by controlling the ball for the final seven minutes of the game. Playing excellent games for the Big Reds were Bob Lindgren on offense and Rick Smith and Steve Schiller on defense.

The Big Reds played a superb first half against Mona Shores, but it was a different story in the second half as Muskegon stormed to a 51-19 victory. The Big Reds scored first on Marc Randall's 47 yard run. Shores came back with a touchdown. Then with Rick George getting the ball to the one yard line, Bob Lindgren got the touchdown and also ran the two points. The Sailors got another touchdown. The Big Reds came back with a pass to Randy Wissner for a touchdown. Lindgren passed to Eric Van Camp for the two points. Van Camp started the scoring in the second half with a 38 yard run. Randall ran for the two points. Randall got another touchdown and two-point conversion. Van Camp got a touchdown on a 7 yard run. Rick George kicked the extra point. The ball was fumbled and Jim Ritcheske took it for a 30 yard run touchdown. Mona Shores scored again against the Big Red reserves. The extra point kick was good. This ended the scoring at 51-19, Van Camp and Randall led the Big Red attack, with Jim Olsen and Dan Sieradzki on defense.

The Big Reds had a difficult time with the Muskegon Catholic team. The Big Reds did come out on top of the game, through, 6-0. It was a defensive battle all the way, with the only score coming on Marc Randall's eight yard run late in the second quarter. A crucial play in the drive was Bob Lindgren's fourth down pass to Eric Van Camp. It was good for a first down and it kept the drive alive. Catholic had many drives, but the Big Reds defense rose to the occasion each time. Fred Kenny stopped one of the drives with a interception. Other defensive stars were Steve Wilson, Jim Olsen and Rick Smith. Van Camp and Randall again were Muskegon's offensive power. The Big Reds were handicapped playing without two starters, tackle Jay Achterhoff and safety Jim Ritcheske. The victory assured Muskegon of its No. 1 ranking in the state. This was Muskegon's first state championship football team in 21 years, since the time when Earl Morrall played for Muskegon.

The Big Reds, under Coach Mike Murphy, finished out the year with a 5-11 season record. A 4-6 mark placed them fourth in the Lake Michigan Athletic Conference. Poor free throw shooting held the team back, as they were beaten at the free throw line seven times. Because of the constant juggling of the starting line-up, the team had many turnovers and inconsistent playing resulted.

Captain Steve Carlson led the team in assists and field goal percentages. Senior Mark Johnson distinguished himself as a great floor player and led the Reds in stolen passes ending in baskets. Much of the squad was composed of juniors who will be returning next year to put the Big Reds on top.

The Little Reds, coached by Frank Le Compte, were disadvantaged this year because of their lack of height and small team size. They did not lack in spirit, though, as they had two games in double overtime and won both of them. The Most Valuable Player was Paul Peterman and Most Improved was Tony Carter. Winner of the Pepper Pot award for enthusiasm and team spirit was Broderick Flowers.

Big Red Matmen

Under the direction of the new head wrestling coach, Bob Erickson, the Big Reds ended the 1972 season with a record of 6 wins, 5 losses, and 2 ties.

Jay Achterhoff, Most Valuable Player, Rick Smith, and LaMark Bell, qualified for regionals, with Achterhoff going on to the state tournament, as well.

Although the seven graduating seniors, were the finest material that Muskegon has ever had, they will leave behind a strong nucleus for next year's team.

The 1971 Baseball Team consisted of five sophomores out of the starting nine. There were no special awards, recognition or new records set during the season. The leading hitters were: Fred Kenny,. 412; Joe Meyers, .395; and Terry Babbitt, .339. Terry Babbitt was also named The Most Valuable Player.

Coach Eaton said that he expects a good season in 1972, because he has most of the starting power back, which consists of the two leading hitters and three top pitchers. Again in 1972, a great number of sophomores came out and they look promising.

Smiling Faces are Reveale

An over-capacity crowd watched the Muskegon Big Reds triumph over the Traverse City Trojans for the Class A State Title. Spirits were high as fans viewed Homecoming 1971.

This year's Homecoming was sponsored by ABS. The theme of Homecoming was "Power to the People." The traditional pep rally was held Friday afternoon. The court was introduced at this time. Sophomore representatives were Bonnie Keay, Kevin Schuitema, Megan Hartman, and Ed Span.

Junior representatives were Terri Clock, Fred Kenny, Kim Grennan, Larry Olson, Linda Majors, Steve Ellis, Sherri Slater, and Steve Wilson.

On this page are shown the representatives of the Senior Class.

In float competition, the theme of Homecoming was carried out. Sophomores placed first with their entry of a cleated Big Red shoe crushing a Trojan helmet, stating Big Red Power. Seniors placed second with their unusual entry of a Trojan horse pulled by Senior Power. The Juniors' entry was a tee-pee for "Power to the Big Reds." In club competition, Booster Club won first place.

Big Red Scream Machine

The Big Red Scream Machine, otherwise known as MHS Cheerleaders, helped raise school spirit. They led the fans at football and basketball games with their cheers and chants. They also cheered at wrestling matches and cross country meets. Many of the cheerleaders timed players at swim meets.

To boost spirit, the cheerleaders sold buttons which proclaimed, "This is Big Red Country." They also sold key chains, ribbons, and held car washes in the spring.

The Muskegon Federal Savings and Loan Company donated footballs and basketballs to the cheerleaders, which they threw to the fans during half-time.

During the summer, the girls attended a cheerleading camp, where they learned many of the new cheers which they taught to the entire student body during pep assemblies. They have also held clinics at the local junior highs.

The Big Red Indian chosen for the 1971-72 school year was Lowell Kirksey. His alternate was George Casarez.

The Little Red Cheerleaders did a great job of boosting Sophomore spirit.

Dave Kolmodin

In his first year as Head Man Junior Dave Kolmodin led the Big Red Marching Band during 1971-72 in football games and parades. Again this year Dave opened the half-time show with the traditional baton routine. During concert season Dave plays the cornet in Symphonic Band and is active on the M.H.S. varsity basketball team.

The Color Guard is composed of Donalyn Wolf, Georgette Flores, Billie Howard, Carol Stonex, Ana Ibarra, Mary Beghtol, Sheila Cole, and Tomasa Guerrero. Assisting with props during half-time shows and marching in parades were the Color Guard's main duties.

The six lovely majorettes displaying new uniforms this year performed in all the half-time shows and marched during parades.

Twirling was done to such numbers as "I Feel Pretty," "Charleston," "Nah-na Nah-na," and "Superstar." Fire batons were featured in the Traverse City game to "Sabre Dance." After marching season the majorettes usher at all M.H.S. band concerts. Jane Annessa and Marilyn Fortier served as Co-Captains of this year's squad.

The Big Red Marching Band again entertained audiences with fine half-time shows during all games, with the exception of Warren. The band, directed by Kent Krive, Darrell Wolters, and John Beery was unusually small this year, having approximately 128 members.

Presented during half-time performances were selections from West Side Story, a program on ecology, and the Swing Era. However, the highlight of the season was Jesus Christ Superstar at the Grand Haven game and Dynamic Drums at the Catholic game.

Ending the season was Half-time Highlights, which was a final review of the 1971 programs.

To liven the 1972 Basketball season, a new organization was formed to provide halftime entertainment. Pom-Pom girls gives more girls the opportunity to participate in a school activity. Tryouts were held on January 12. Fourteen girls were selected. They performed at several basketball games featuring routines to "Overture from Tommy," and "Floyd Joy." They also performed at a pep assembly for the entire student body. Mrs. McShannock and Mrs. Pomeroy advised the girls.

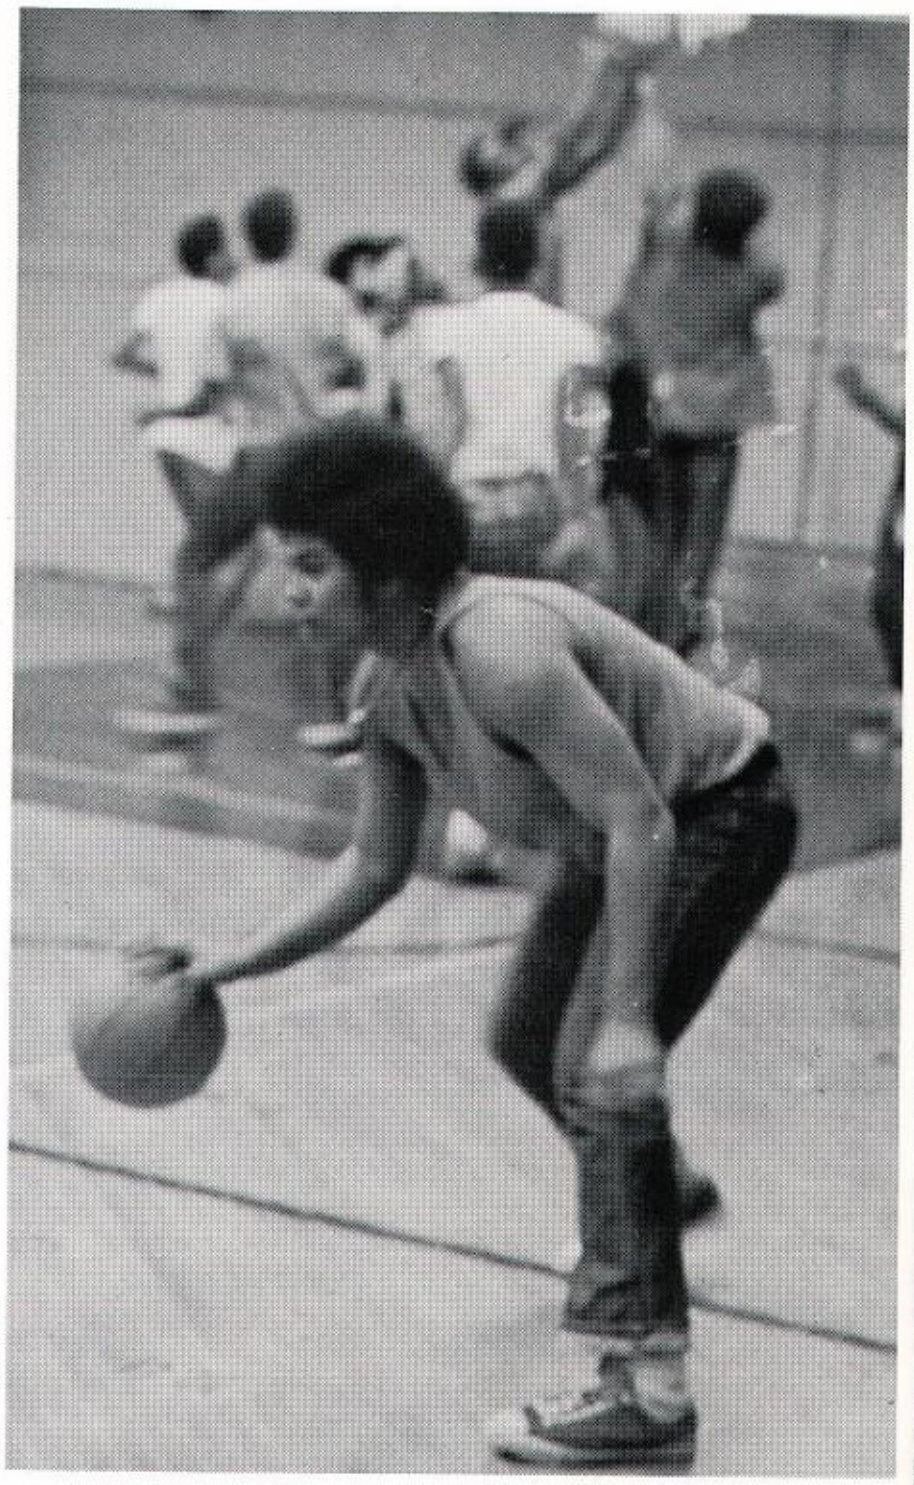
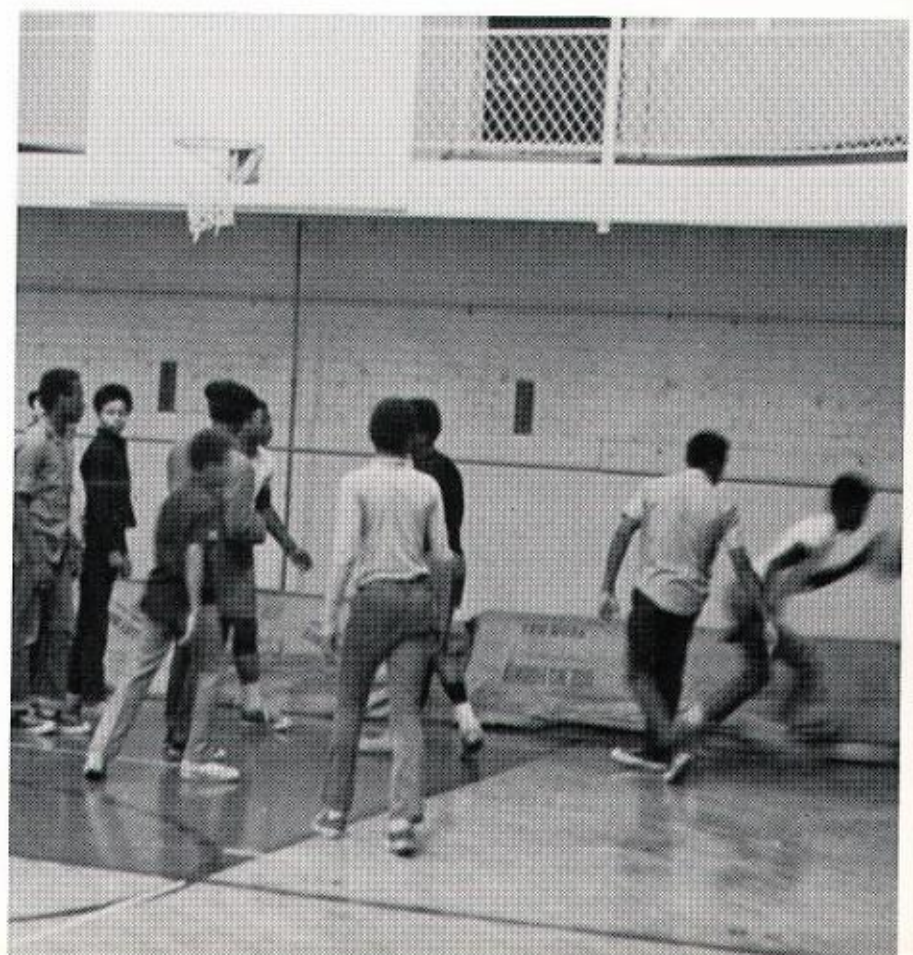
Intramurals for M.H.S.





A little known but much enjoyed activity at M.H.S. this year was intramural basketball. It ran from January through March and was organized by Mr. Mike Lewis. Fifteen teams in three conferences competed for championships in evening games. The year was climaxed by all-star games between the champion team and star players from the rest of the league.

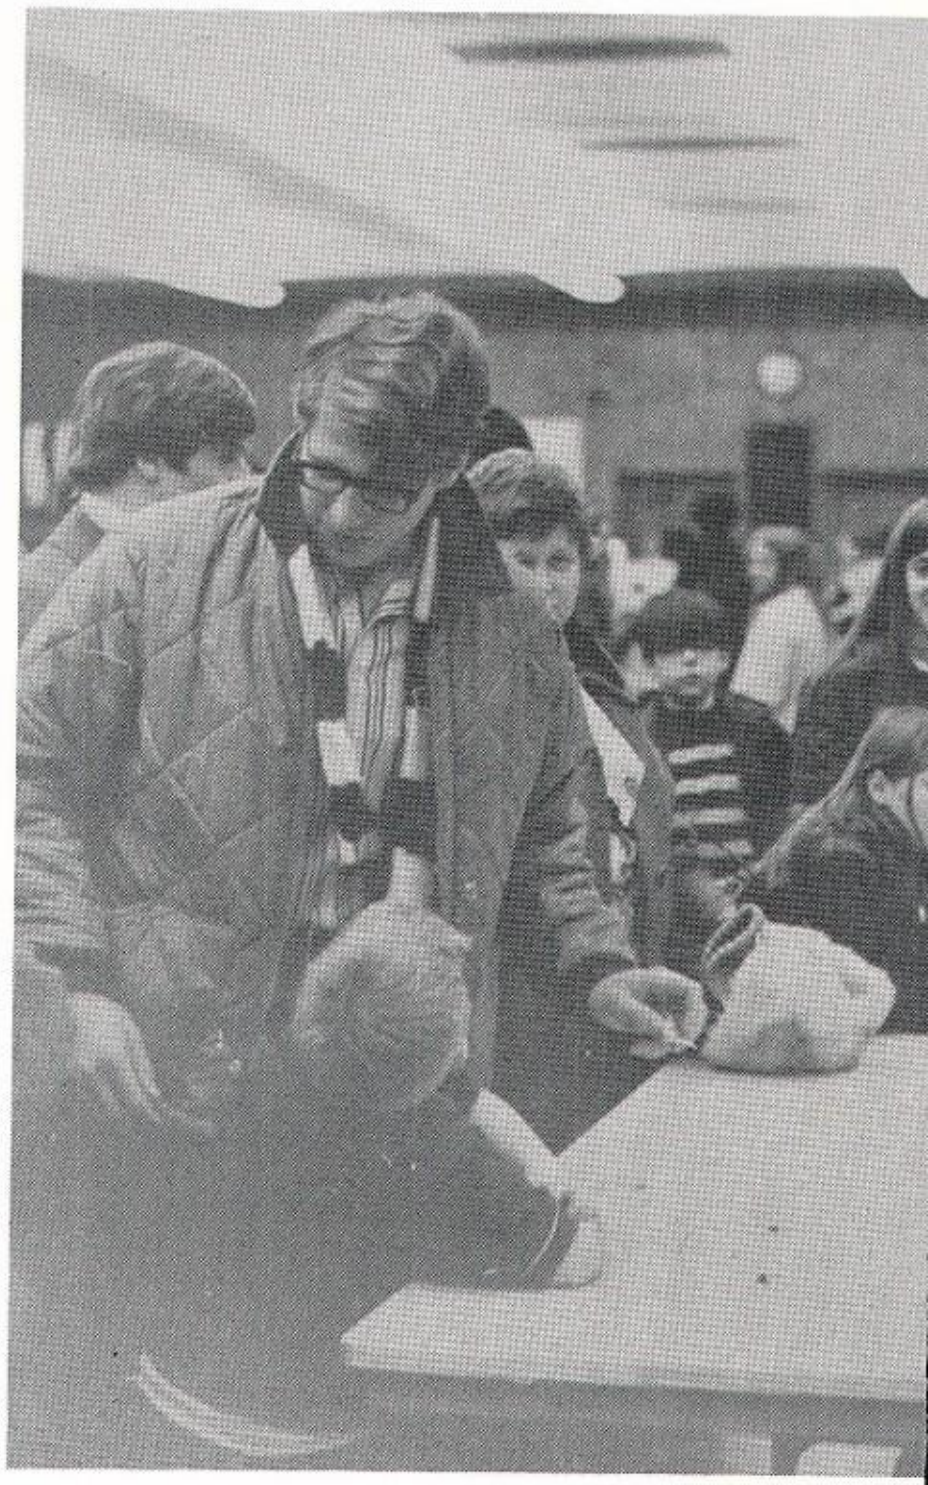
This year, again, the Synchronized Swimming Club under the direction of Mrs. McShannock got into full swing at M.H.S. Their activities included a trip to Michigan State University on February 26 for the High School Synchronized Swimming Clinic, and, on April 20 and 21, a show with a theme of "The Alphabet", in which Kathy Hayes and Marsha Mixer performed solos.

Council Action



The 1971-1972 Student Council at M.H.S. participated in a variety of activities.

Inter-City Student Council sponsored a Helper's Hike on November 20. Fourteen students from Muskegon walked the fourteen miles from the Ovals to City Hall and back to Pere Marquette Park with other area students. The Big Red walkers contributed $204, which was given to the Muskegon County Museum, Muskegon Children's Home, the Muskegon Heights Drug Center and the People's Club. Sandy Hall organized the Muskegon High students.

Terri Clock, George Casarez, Sandy Hall, and Tony Ross organized Muskegon students on Exchange Day, another Inter-City Student Council activity. Students from other area schools visited M.H.S. on Wednesday, December 1, while students from Muskegon traveled to other area high schools.

The Annual Snow Carnival was held on January 21. Everyone participated and a good time was had.

The Intramural Sports program began during the second semester, with basketball as the first sport. A student lounge was set up in the cafeteria during second and third hours during the second semester.

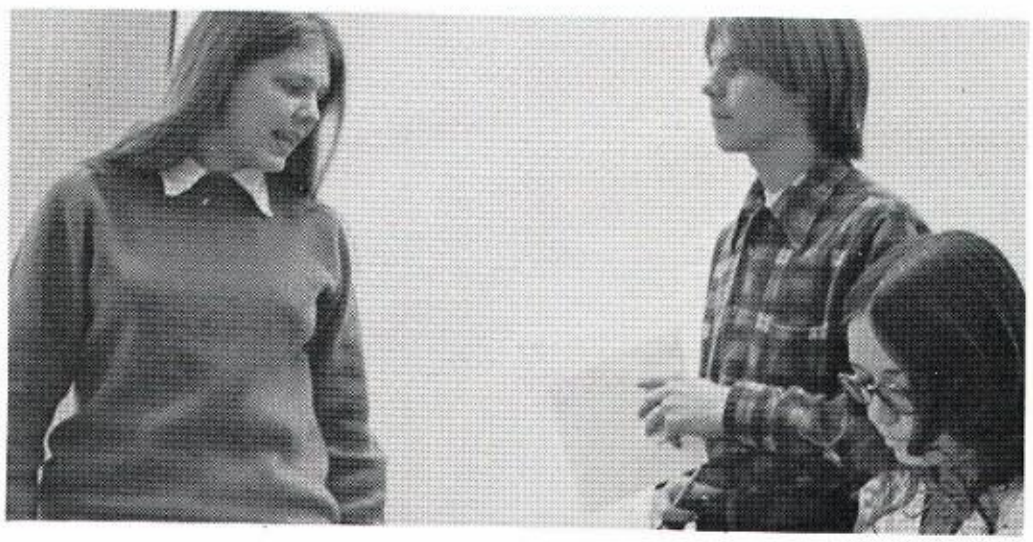
The Thinking Machines



In their first appearance on WZZM-TV, the Muskegon High School Quiz Bowl Team was defeated by a powerful squad from East Grand Rapids.

Debate, a relatively new club at MHS placed high in the Valley Coast Novice League, a tournament they participated in last fall.

Both teams were coached by Mr. Patterson.

On The Air

WMHS, Muskegon High School's radio station was founded this year with the help of Mr. Mike Vogas, radio teacher and advisor of WMHS. The station was established mainly to let the students handle all the news, instead of the administration. The class met every day to discuss the station and different news events that had happened. WMHS also gave students a chance to voice their opinions through editorials.

During the year, the students visited such radio stations as WKBZ and WTRU to obtain knowledge of how professionals perform. Some radio announcers visited the class and told of their experience in the radio field. The class also put on a skit for the Traverse City pep assembly.

The announcers for WMHS were John Sullivan, who also served as the main technician; Barb Nelson, copy editor; Randy Thaler, Paul Hulka, Jan Kruse, and John MacQueen, sports editor.

Sealed Power Corporation

If you think SEALED POWER makes
PISTON RINGS
. . . you're partly right.

Sure, we make piston rings—millions every week. But that is only part of our expanding business. Sealed Power manufactures or distributes many other engine parts—pistons—cylinder sleeves, miscellaneous castings—valves—valve springs —valve guides—water pumps—tappets—bearings—die cast components—powered metal items—auto air conditioning parts—to mention a few. With headquarters in Muskegon, plants from Canada to Mexico, and worldwide distribution, Sealed Power's name is well recognized

To meet the challenge of modern industry, Sealed Power needs able employees in all phases of our operation. Whether you plan to continue your education or seek immediate employment, may we offer—

CONGRATULATIONS!

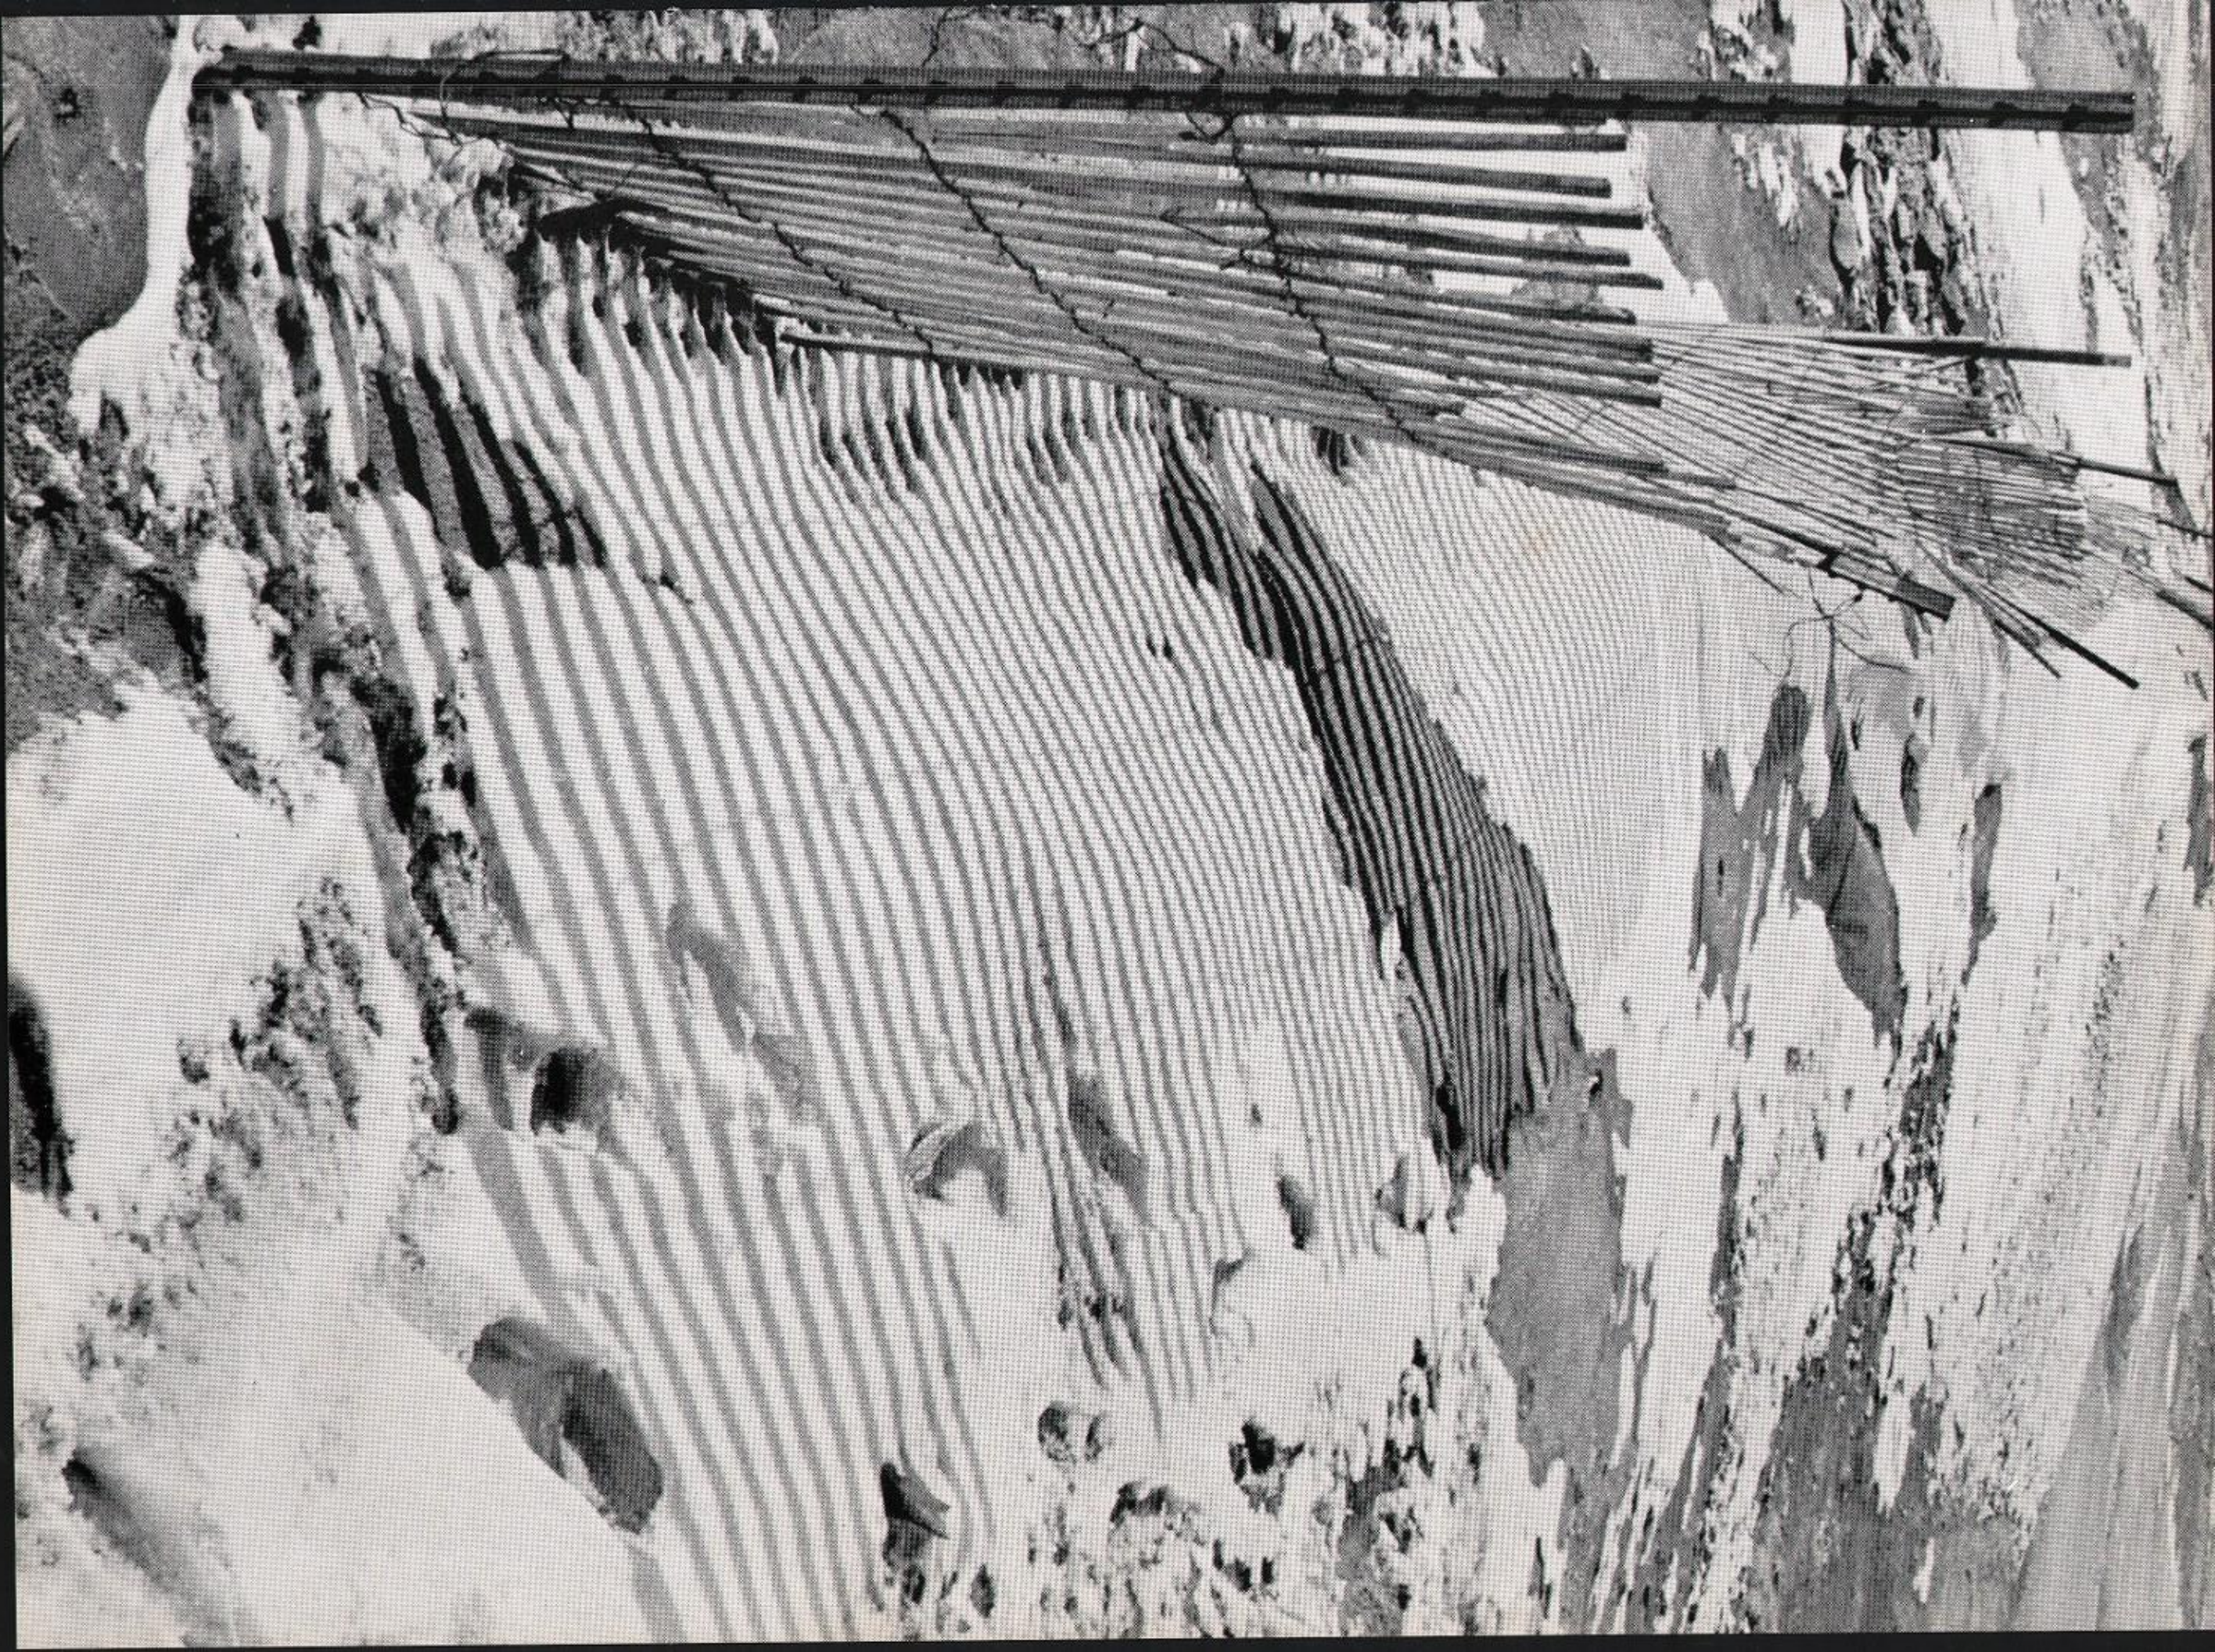
COMPLIMENTS OF

Said and Done Staff



The Staff

Another year has come and gone for the yearbook staff. It has been a long and hard working year.

There are so many people who gave their time and energy to help produce a good yearbook. Special thanks goes to Miss Cherie Jacob, Yearbook Advisor, for all she did to help us and keep us going. She gave us guidance in our moments of trouble.

Mr. Robert Talsma, our representative from Paragon, was another great help in guiding us. He spent many hours with the staff teaching them the techniques of producing a good yearbook.

Marc Rosen deserves the most credit for the photos this year. He was always running around doing assignments for everyone. The speedy service of the Camera Shop and Radium aided us in getting the pictures we needed to meet our deadlines. The Chronicle, also, supplied us with a great number of sport pictures which we were very thankful for.

I would like to extend a personal thanks to Mrs. Jane Wilson, who spent so much time at the beginning of the year helping us get started. Mrs. Comstock has helped us by taking care of all our money matters and selling books during the day.

Most of all, I want to thank Lorie Carr, my Assistant Editor. She was always willing to help everyone and do anything asked of her. Without her, I would have been lost at times.

Last of all, I thank you, the student body, for giving us your support.
